THE SKY ROOM

The Sky Room is a multi-function events space conveniently situated in the heart of the city. With a panoramic view of Marina Bay Sands, The Padang, and the cityscape of the Central Business District, this iconic backdrop serves as the perfect setting for every type of function.

With movable panels and a reception desk, the Reception and Parliament Studio can be seamlessly combined and reconfigured into a spacious room with a customisable set-up. It is ideal for hosting a wide variety of events such as meetings, networking sessions, social gatherings, masterclasses, workshops, recitals and more!

Facilities

The Dexibell - a top of the line Italian electric Grand Piano

- One of the world's most advanced digital pianos, combining the world's most advanced engineering and technology to achieve a resonant, realistic sound and customisable playing experience. It is also compatible with a microphone, allowing for real time recordings and amplified performances.
